

Geberit Duofix Delta 98cm Frame & Cistern for Wall-Hung WC, Plus Delta30 Chrome Flush Plate

Designed to last, Geberit Delta frames incorporate tried and tested materials which will serve you for years to come. Installed 60 million times over the past 60 years, Geberit concealed cisterns and flush plates represent the ultimate tried and tested solution.

60 years of Geberit research and development in concealed cisterns have been applied into this Delta frame & cistern from Geberit. The result is an elegant yet simple product with market leading functionality, giving you confidence in every flush, and peace of mind regarding its durability and ease of installation.

Dual flush with volume adjustment options to help save water
Leakproof due to one piece blow moulded cistern
Compatible with all Geberit flush buttons.
25 Year spare parts Guarantee

Every blow moulded cistern is factory-made leak tested, therefore there are no unnecessary sealings or leakage of the cistern for maximum operational reliability

Reasons to Choose a Geberit Frame:

- **Very Strong:** No wobbling or vibrations - strength-tested to bear a weight of up to 63 stone (400kg) when paired with a Geberit toilet pan
- **Durable:** Installed 60 million times over the past 60 years, Geberit concealed cisterns represent the ultimate tried-and-tested solution
- **Hygiene:** No pedestal and no cistern in front of the wall means no exposed pipework for dirt and bacteria to hide
- **Simple Maintenance:** Simply remove the flush plate for access to all important parts. Geberit stock spare parts for 25 years
- **Tested Impermeability:** Every Geberit cistern is individually tested to guarantee water tightness
- **Acoustics Solutions:** Acoustic solutions with the Duofix frame mean it's all quiet behind the scenes
